

Pocket money

The average primary school student in Australia has some money to spend or save. Surveys show that most of this money is received as a gift for a celebration such as a birthday or Christmas or as pocket money. Some families give pocket money to their children and other families provide it to their children as a reward for doing jobs around the house or for good behaviour

Do you think that parents should provide pocket money for their children?

Yes No

If it is provided should be 'given' or provided as a 'reward'?

Given Reward

How much do you think is a reasonable amount of pocket money each week for a Year 5 student?

Amount (\$)

Write a paragraph justifying your opinion on parents providing pocket money, whether it should be ‘

Use this space to plan – list the key words you will use and sequence them.
